Sick Policy

At our Preschool, the health and safety of our children are always our top priority. We understand that when your child is sick, it can be a difficult and stressful time for both you and your child. That's why we want to make things as easy as possible for you by having a clear sick policy. Upon arrival each day we will do a quick and simple health check. If your child has any of the following signs or symptoms, please keep them at home.

- Fever of 100 degrees or higher
- Vomiting: Two or more times in a 24-hour period
- Any unexplained rash
- A persistent deep, hacking cough
- Any signs of a communicable disease (scabies, impetigo, hand foot and mouth etc.)
- Excessive drainage or discharge (clear or discolored) from the mouth, nose, eyes or ears.
- Red/pink discoloration to the whites of the eye(s)
- Diarrhea runny, watery, bloody stools
- Difficulty breathing or untreated wheezing
- Unusual yellow coloring of the skin or eyes
- Cuts or openings on the skin that are puss-filled or oozing
- Obvious stomach discomfort
- Head lice
- Positive for COVID

If your child becomes sick while at Preschool, we will contact you immediately so that you can pick them up. We ask that you please do-not bring your child back to Preschool until they have been symptom-free for at least 24 hours without medication. In some cases a doctor's note may be required.

Thank you for helping keep our Preschool safe and healthy for all our children and staff.
